

[Antioxidants] Special Issue: NOS/NO System and Heart

Dear Colleagues,

we are glad to inform you that the Special Issue ***NOS/NO System and Heart***, that we are leading in Antioxidants, is open for contributions. We would like to invite you to contribute ***a research or review paper***. We intend to publish your manuscript as an invited **'Featured Article'**, which means that your submission will be handled on a priority basis and may be chosen as the cover story of the forthcoming issue.

The submission deadline has been extended to ***20 October 2021***. If you need more time, please feel free to contact us.

Till now, we have published ***the first paper*** in our issue and more papers would be coming.

You can find more details at

https://www.mdpi.com/journal/antioxidants/special_issues/NOS_NO_System_Heart.

We are also pleased to inform you that Antioxidants has received an ***increased Impact Factor of 6.312*** in the latest edition of the Journal Citation Reports®, published by Clarivate Analytics in June 2021. It ranks Q1 (6/63) in 'Medicinal Chemistry'; Q1 (11/144) in 'Food Science & Technology' and Q1 (60/298) in 'Biochemistry & Molecular Biology'.

Antioxidants (ISSN 2076-3921; IF: 6.312) is an international peer-reviewed open access journal published monthly online by MDPI. It is indexed by Science Citation Index Expanded (***SCIE***), ***PubMed***, and ***Scopus***. In the second half of 2020, the median time from submission to first decision was 14.5 days; and from acceptance to publication was 2.6 days. An article processing charge (APC) of 2000 CHF currently applies to each accepted papers. Manuscripts will be published on an ongoing basis after being processed.

If you have any questions, please do not hesitate to contact us or Ms. Molly Xia (molly.xia@mdpi.com). Looking forward to hearing from you.
