

Dear Colleagues, dear Transportologists,

the "Brain in Flux - MSCA NeuroTrans Joint Satellite Meeting 2023" from **August 12-15, 2023 in Gaia, Portugal** is approaching fast. Secure participation at the **early bird rate** by registering until latest **May 31, 2023!**

Please find all information on the exiting programme, registration and abstract submission at [www.meduniwien.ac.at/bif2023](http://www.meduniwien.ac.at/bif2023).

The conference will feature **short talks selected from submitted abstracts**. If you want to be considered for an oral presentation, please register for the conference and **submit your abstract by latest June 18, 2023** through our [website](#).

We are happy to announce that we are able to offer **travel grants for students and early postdoctoral fellows registered for the conference**. Each grant will amount to **€ 400** (which can be used for travel, accomodation or the registration fee).

Applicants for a travel grant must **submit an abstract** via the [online submission form](#) and **opt in for an oral presentation**. In addition, a **certificate of the status as a PhD student or early postdoctoral fellow**(within the first three years after defense of the PhD) is necessary and should be sent to [office@bif2023.org](mailto:office@bif2023.org). The **deadline** for applications is **Sunday, June 18, 2023**.

The decision on the awardees will then be taken by the grant award committee and awardees will be informed by July 5. Good luck with your application!

Please spread the word and forward this e-mail to any of your colleagues that might be interested.

Harald Sitte, Thomas Stockner, Eurico Cabrita and the organisational committee hope to welcome many of you there!

Best regards,  
Cornelia Klein  
*Meeting Secretariat*
